KALLE VIIRA CREATIVE STUDIO

1. Research the client

Check out the channels and do some searching and testing

Website > about the client, services, products, highlights

- it is important to get that first impression from your personal experience

Google > Result page, info, competition

Social media > do they post, how often, what how it looks

KNOWLEDGE AND IDEAS INTO A SUSTAINABLE BUSINESS

Start by building a compelling brand and a functional website!

Every year, I help dozens of new companies to the market with clear and cost-effective package solutions. Let's get your company's channels, look and messages in order at once — let's create a growth base for sustainable business.

TOOLS THAT WORK

Correctly selected tools and platform, open process and smooth further development.

FINISHED PACKAGE

The end result takes into account the details from search engines to social media channels.

EFFICIENT IMPLEMENTATION

A high-quality package can be completed on a very fast schedule.

GROWTH AND EXPERIENCE

Over 200 websites and more than 50 new brands on the market.

READY-MADE PACKAGE FOR A NEW BUSINESS

Everything you need to bring a new business to market online and in digital channels.

● VISUAL IDENTITY: logo, color palette, typography

● WEBSITE: 1-3 pages, images, icons, graphics, search engine texts, social media shares, settings and publishing

● CONTENT: help with titles, texts and communication

● SOCIAL MEDIA: profile and background images

WEBSITE AND BRAND **990 €** + VAT.

# THIS IS HOW THE PROJECT PROCEEDS - DELIVERY TIME 2-4 WEEKS

1. PRESENT YOUR IDEA OR COMPANY

Let's think together about what you need and what is the best solution for you, I will present the tools and processes I use, as well as suitable examples.

2. VISUAL IDENTITY AND SITE DEMO

Let's create a visual identity that suits your story and needs and is immediately brought to a functional demo site.
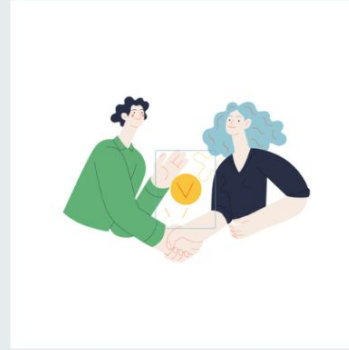

3. INTRODUCTION, TESTING AND EDITING

You will immediately get acquainted with the site and the look in the right environment, after a round of comments we will focus on the content and finishing.

4. DELIVERY AND USER TRAINING

You will receive training in editing and developing the published website, the necessary files on the look and light instructions.
